As required by the Treasury Board *Directive on Travel, Hospitality, Conference and Event Expenditures*, this report provides information on the total annual expenditures for each of travel, hospitality, conferences and events for FJA for the fiscal year ending March 31, 2015. In particular, for the Office of the Commissioner for Federal Judicial Affairs (FJA) Canada, this includes delivering core programs in support of federal judicial activities and services to Canadians. These activities strive to meet the priorities of developing organizational capacity, building a strong, integrated team, improving service delivery, enhancing communications and managing information.

Further details about FJA's mandate and program activities can be found below and in FJA's *Departmental Performance Report (DPR)*, *Report on Plans and Priorities (RPP)* and other relevant documents located on the Treasury Board website at www.tbs-sct.gc.ca.
