Report on Annual Expenditures for Travel, Hospitality and Conferences

As required by the Treasury Board Directive on Travel, Hospitality, Conference and Event Expenditures, this report provides information on the annual expenditures for each of travel, hospitality and conference fees for the Office of the Commissioner for Federal Judicial Affairs Canada (FJA) for the fiscal year ending March 31, 2017. It also provides the variance explanations from the previous fiscal year in each of these areas.

This information is updated annually and does not contain information withheld under the Access to Information Act or the Privacy Act.

Expenditures on travel, hospitality and conference fees incurred by federal departments and agencies are related to the activities that support a departmental or agency mandate and the government's priorities.

In particular, for FJA, this includes providing services to the Canadian judiciary and promoting judicial independence. Under the Program Alignment Architecture, in addition to Internal Services, the organization is broken down into three programs: Payments pursuant to the Judges Act, Canadian Judicial Council and FJA. FJA's organizational priorities are an improved financial control framework, succession planning and human resource management, information management and modernization of FJA processes and tools.

Further details about FJA's mandate and program activities can be found below and in FJA's Departmental Results Report (DRR), Departmental Plan (DP) and other relevant documents located on the Treasury Board website at www.tbs-sct.gc.ca.
